

Course Outline

IOSH Working Safely

Duration

1 Day

Who Should Attend?

Anyone – and everyone – in a working role who wants to learn the basics of safety and health.

What Is Covered?

- Ensures delegates can define hazards and risks that are associated with their workplace
- Enables delegates to describe the different control measures in managing risks
- Ensures delegates can identify common hazards
- Improves overall safety performance by helping to understand what delegates and their organisation are responsible for
- Describes the different ways to measure safety performance and to how to learn the lessons from previous accidents
- Evaluation is carried out by the use of a multi-format question paper and a multiple choice hazard spotting exercise. On successful completion of both candidates will be awarded with the IOSH Working Safely Certificate and/or IOSH Safety Passport

What To Expect

- Memorable and thought-provoking facts and case studies
- Modules backed by clear examples and recognisable scenarios
- Summaries to reinforce key points
- Checklists and materials supplied for subsequent use in workplace
- Informal and interactive quizzes and discussions
